PRESENTATION **Presentation:**

Dan Kalbfliesh, Principal of the Bridge Program, part of the Warren Street Academy, gave a brief history. This school year the Academy opened at a newly renovated location, 11 Warren Street in Hudson. The program is at its highest enrollment of 60 students, with its largest class of seniors to date. Of the 18 seniors, 15 students are from Hudson CSD. Student to teacher ratio is 15:1. The program focuses on credit recovery and accountable grading practices. Assignments are always accepted; no grade of zero is given for late assignments. Seniors are required to take Senior Seminar, which assists with resume writing and mock job interviews. Graduates are workforce ready. Bard Early College students are integrated within the Bridge population this year. There are a total of 75 students in the Warren Street Academy.

There is no need for early Executive Session.

OLD BUSINESS

- A. Policy Committee – Board Member, Linda Hopkins, explained the changes to Policy 5300.26, The Athletic Code of Conduct, which is before the Board for a third reading. - B. Facilities Committee – Dr. Suttmeier will update the Board in her Superintendent’s report.
- C. Budget Committee has not met.
- D. Audit Committee has not met, but will meet in the near future, as audits continue.

There was no one signed up to speak in public forum.

Business Office Report: School Business Administrator, Mrs. Sharifa Carbon, will give her update during executive session.

School Improvement Report: School Improvement Coordinator, April Prestipino, reported to the Board of Education that the District is eligible to receive one more year of financial support even though Hudson CSD has been removed from FOCUS status. Ms. Prestipino explained she had no idea the funds would still be available. When she received a generic email to do the application on-line, she had assumed it was in error that her name was not removed from the list. Administrators are discussing how to best utilize the funds for professional development and other allowable expenses.

**SCHOOL
IMPROVEMENT
REPORT**

Superintendent Report: Dr. Suttmeier thanked the Board of Education for attending the Special Board Meeting on September 19, 2016, in which the group did a walk around the MC Smith Intermediate School and reviewed the building plans. The visual perspective was very helpful.

**SUPERINTENDENT
REPORT**

- A. Capital Project – Dr. Suttmeier handed out drawings of three different renditions of the MS Smith Intermediate School addition. One drawing had the limestone replaced with brick. One drawing had the gable roof removed. One drawing had a second story on the tech wing with four classrooms added on and the gym moved to the front of the building, which moved the structure in 70 feet away from the ravine. Of the three drawings, the board members agreed the third drawing with the second story over the tech wing, added classrooms and the gym in the front was the most appealing. Dr. Suttmeier agreed that the third rendition fit the academic programming needs, while moving the building away from the ravine, which was always a concern. Board members were in agreement to move forward with getting a cost estimate of the third drawing. Future decisions to be made will include whether to have a flat roof or pitched roof on the gym, and whether to have the faux chimneys. Pricing will be broken out so the Board can decide each option separately.

CAPITAL PROJECT

**GENERAL
UPDATES**

- B. General Updates – Dr. Suttmeier reported the high school is a 1:1 Chromebook school, meaning every student has a Chromebook assigned to them. Policy and procedure needs to be put in place so the students can take the Chromebooks home. Other districts have policies that we can research and model after as applicable. Chromebooks are considered a tool for learning, the same as textbooks.

**CELEBRATING
WHAT'S RIGHT**

- C. Celebrating What’s Right –
 - Dr. Suttmeier thanked Board Member, Willette Jones, and Board President, Carrie Otty, for accompanying the Administrative Team to Shop Rite to Bag for Hunger. Mr. Brenneman organized with Shop Rite for the Team to participate. It was an enjoyable opportunity to be out in the public and interact with the community outside of school business. Shop Rite is looking forward to having the Team back next year.

Celebrating What's Right (continued):

- Dr. Suttmeier reported the Homecoming Bonfire was excellent. The weather was beautiful and school spirit was high. The football team is currently 4-0. The Drum Line was awesome. The District is lucky to have the added entertainment and talent in our District.
- The MC Smith Intermediate School hosted their annual "Dads Take Your Child to School" breakfast on September 20. The event was started to thank the male caregivers in our students' lives (fathers, grandfathers, brothers, uncles, stepfathers, etc.). The breakfast was very well attended. Megan Tice, the District's Communications Specialist, was present to take photos. Students were happy and proud to have their Dads at school. This event has become a growing tradition at the MC Smith Intermediate School.
- Dr. Suttmeier reported she attended an hour-long interview with the Columbia County Economic Development Committee. After this evening's committee meeting, she will officially be a board member.
- Dollars for Scholars will be holding their annual golf tournament on October 2, 2016. This fundraiser supports many scholarships presented to college-bound seniors at the Senior Awards Night in June.
