**Coordinator of School Improvement Report:** Ms. Prestipino, Coordinator of School Improvement, reported on computer based testing issues throughout New York State. The District, along with almost every district across New York State, experience connectivity issues and saving issues with the Grade 5 ELA computer-based test. By Wednesday, all tests were submitted successfully. The students were enthusiastic about the computer-based testing and took the issues in stride. There was no negative feedback from any students or teachers. Both were wonderfully patient while fixes were made. NexTerra, owner of Questar Inc., worked diligently to resolve the issues and are improving the platform for next year. Grade 8 Math will start the first week in May.

**COORDINATOR OF SCHOOL IMPROVEMENT REPORT**

**Superintendent Report:**

**SUPERINTENDENT REPORT CAPITAL PROJECT**

A. Capital Project:

- Phase I – Concrete has been poured to add additional permanent bleachers. The District held its first ever Home Track Meet last week. Dr. Suttmeier had the honor of firing the starting gun for the first race. Our student athletes were thrilled to finally be competing on their home track.
- Phase II – A capital project meeting was held Monday with the architect and contractors. The project is meeting all of the critical dates with no surprises. Dr. Suttmeier passed around a photo of the proposed playground.

B. General Updates:

**GENERAL UPDATES**

- The staff inventory in the Educational Plan presentation was incorrect. Currently there are six Kindergarten teachers not seven. Enrollment will be watched closely. If another Kindergarten teacher is needed, the District could forego the SRO officer until after the Budget is passed and Budget Aide is awarded.
- A solar event is tentatively scheduled for May 9, 2018 at 10:30 a.m. at the solar field. Board Members are invited to attend and the District would like a member to speak.

C. Celebrating What's Right:

**CELEBRATING WHAT'S RIGHT**

- The Questar III Annual Dinner – Mr. Suttmeier and Board President, Carrie Otty, attended the Questar III Annual Meeting last week. Culinary students prepared and served appetizers. The food was superb and professionally presented. Many programs were highlighted along with the presentation of the Questar III Budget.
- Dr. Suttmeier was invited to visit the Writing Center today. Students asked the superintendent about her career pathway and the trials and tribulations she faced along the way. It was a very welcoming and relaxed interaction with students. Students were open about their aspirations and dreams, college ambitions and concerns. It was a rewarding experience for all.
