March 8, 2018

Dear Parent/Guardian,

We would like to remind you of our Progress Report Night scheduled at the Junior High on Tuesday, March 13th from 5-7 pm. Freshmen Orientation for the incoming Class of 2022 will be at 6 pm in the High School Choir Room. Topics of discussion include scheduling, graduation requirements and electives. Please plan on attending, it should last approximately one hour. We encourage everyone to attend as this is a critical time for your child to finish the school year strong.

Parents are encouraged to enter the building through the Event Entrance and pick up your child's Progress Report. Most Junior High teachers will be located in the cafeteria and no appointment is necessary.

It has been our experience that parents are either satisfied with their child's progress or have not been successful connecting their child to school in a positive way. These are two very good reasons to be here and take advantage of the evening and meet with one or all of the staff members your child interacts with on a daily basis. The evening can serve as a convenient time to celebrate academic accomplishments or develop a plan to provide your child with strategies to assist them with the remainder of the school year.

One strategy that can assist your child with extra support is after school tutoring. Your child has an opportunity to receive after school tutoring support thanks to the Hudson Area Library and Bluehawk Nation After School Program's Junior High Tutoring Center that meets at the library Tuesdays and Wednesdays 3:30-5:30 pm. There is still time to register your child for this school year. The Center is for students who want extra help with their work, academic support for skills they are currently learning, or who need a place structured to make sure they get their work done. The library will have two representatives at the school on Tuesday night to describe the program and answer any questions you might have. They will be available at a

table in the cafeteria from 5-7 pm to sign a your child up or answer any questions. Please stop by to hear all about it.

We hope to see you on the 13th of March!

Sincerely,

Derek W. Reardon
Principal
