

Welcome back to school parents and students! The new school year always brings many emotions: excitement, nervousness and anticipation for sure! I know the third graders are probably nervous about coming to a new school. There is no need to worry!

Nicholas and Savannah, I am counting on you to be amazing leaders for the new third & fourth graders in September! We are going to need your help because you know the classroom routines. There are a couple of things I would like to mention to everyone for the start of the first full week of the school year. For some of you this is new and for those who were with me last year, this will be a reminder.

Snack: We will have snack every day around 10am. If you want your child to have a snack you should send one everyday. If it would be easier, you can send in a supply for your child and we can keep it in the classroom.

Agenda book/Go Home folder: Occasionally, we will have homework. Please make sure to check your child's agenda book every night for notes and assignments. It would be helpful if you could sign the agenda book so we know you looked at it. All important papers and homework assignments will be in the go home folder. There will not be a lot of homework, however, it is the expectation that your child complete their homework when we have it. I appreciate you assisting your child but please make sure they are doing the work.

Supplies:

Each student will need the following

- 3 boxes of tissues
- 2 containers clorox wipes
- 1 box of pencils
- 1 box of markers
- 1 box of crayons/colored pencils or both
- Package of glue sticks
- Package of index cards

Thank you very much for you help and understanding on these topics. I look forward to working with you throughout the year to make the most of your child's learning experience. If you have any questions feel free to email me at ordwaya@hudsoncsd.org or leave me a message with the office.

Thank You,

April Ordway
